

Católicas - Wonderful Day

Tom: F

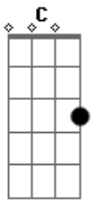

In this happy Day Christ baptized you
 He anointed you in God's way
 Our church grows With you too
 Your parents and friends
 With your baptism are glad
 Your godmother and godfather
 In God's name bless you ever

Around the font our great party
 Our faith is grounded in the Trinity
 Wonderful day in our life
 God be with you, in your side
 Peace and happiness is our prayer
 Wonderful day in our life
 God be with you in your side
 Your dreams and life God bless forever
