

## **Cattarse - Ashes**

```
Intro: Dm C Dm C
Dm C Dm C
 Hurry, my friend
      Am
 Save your love
 They will burn her in the square, for God above
          С
 Bring them some gold
And truths they want to hear
 C Dm
Save your love from the fire and fear
  C Dm
Release your tears
   C Dm
Where are your fears?
 C Dm
Nobody want to hear
                       C#-
Nobody want to see
( Dm C Dm Am )
 Hurry, my friend
 Save your wife
               С
                      Dm
 Don?t let those people take her life
```

## **Acordes**

```
Please, don?t burn my wife
 She just doesn?t know
                           Dm
 Being different is dangerous in this world
Release your tears
Where are your fears?
Nobody want to hear
                      C#-
Nobody want to see
[Solo] Dm C Dm Am

                       C#-
Nobody want to see
 But people don?t change his mind
    Am
  They wanna this blood desire
  And he has just found the ashes of his love... in the fire
