

Cautious Clay - Wildfire

tom:

Intro: E A
[Primeira Parte]

Your eyes are like weapons
Your lips could teach lessons
Don't use them so reckless
'Cause for you I'm helpless
You gotta take caution

You know that I'm all in
The chance of me fallin'
You know that it's often

[Pré-Refrão]

But if you don't wanna stay
Then please stop moving this way

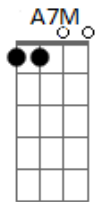

[Refrão]

You're starting up a wildfire in my heart
Hope it's what you want
Not just what you do
You're starting up a wildfire in my head
Hope it's what you meant
Not just what you do

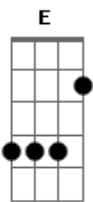

[Segunda Parte]

This love is so costly
It's killing me softly

Don't know what to call it
This thing that you started
You make it look easy
The way that you lead me
Into the fire, babe
Ar? you coming with me, yeah?
[Pré-Refrão]

But if you don't wanna stay
(Don't wanna stay)
Then please stop moving this way
[Refrão Final]

You're starting up a wildfire in my heart
Hope it's what you want
Not just what you do
You're starting up a wildfire in my head
Hope it's what you meant
Not just what you do
(In my head, what you meant)
Hope it's what you want
Not just what you do
(What you want, what you do)
Hope it's what you meant
Not just what you do
