

Cavalo de Pau - Brincando de Amor

Tom: C

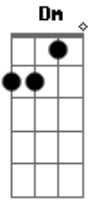

Quando dois corpos se atraí ligados pelo elo do amor
 Os olhares falam por si mesmo
 Não existe distinção de cor
 Me aquece nesse teu ninho

Me ascende com mais carinho
 Me dar o que eu preciso agora amor
 Essa chama incessante
 Somos mais que dois amantes
 No calor do desejo
 E nessa brincadeira coração a palpitar
 Teu tempero é gostoso sinto me apaixonar
