Walking in Figures of 8

I hope I'm not too late

Figure 8 clouds

I'm working things out

Clouds looking strange

Papercut fingers dancing on the strings

If I could see you right now

I'd dance just for you when the nightlight goes out

Would you dance for me tooooooo?

I'm counting on youuuuuuuuu

The corner shop closes in under an hour

Lets buy too much booze and get drunk in the shower

Thinking in figures of 8 and it's easy 'cause

I know what it adds up to

Every day is the same but you gave me a brand new set of numbers

Life's in a different colour

(Eb Cm Eb Cm)
(Ab Bb7 Ab Bb7)

Would you dance for me to?

We'll make pepper pig plasters the coolest new trend

I never asked for my childhood to end

I'm trapped in my tiny human brain and it's killing me

But I'm fine, yeah I'm alright

If I move my hands fast enough I won't die

I'm trapped in my tiny human brain and it's killing me

But I'm fine, yeah I'm alright

If I move my hands fast enough I won't die

If I move my hands fast enough I won't die
