[Primeira Parte]

E Dbm
 You're falling further down but I've

Got you by a thread

E
 I wrap the cord around my arms until my
 Dbm
 Hands start to turn red

A B
 But it's not enough, it won't be
 E
 Enough to save you

(Dbm)

E
 She's so in love with all the things
 Dbm
 I hate most about myself

E
 I'm so in love with all the sounds
 Dbm
 She makes when she smiles and well

A B
 It's a little tough, to put conker
 E
 Shells on ice sheets

Dbm
 Without breaking through, and flooding
 The whole town

[Ponte]

A
 I hope you're alright

B E
 I didn't wanna wake up last night
 Dbm

Cause I quite liked the dream I had of

A
 Holding your hand

B
 It's funny how slowly time goes when
 Dbm E
 My thoughts have been racing all this
 Time

(E Dbm E Dbm)
 (A B E Dbm E)

[Segunda Parte]

E
 It's alright to feel a little bit of
 Dbm
 Darkness now and then

E
 I know I've said it once but I still
 Dbm
 Tell myself again and again

A B
 You'll never be enough, but what is
 E
 Enough, you're selfless

Dbm
 Isn't that enough

E Dbm
 Banana bread before I go to bed will put
 The bees to sleep

E
 Otherwise they'd buzz and sting my
 Dbm
 Lungs all night inside of me

A B
 Just wait a little while, you don't
 Cry too much

E
 You know that when you smile, the sun
 Dbm
 Shines more gently
