

Cavetown - Juliet

Tom: A

I need to cry
 But I can't get anything out of my eyes
 Or my head, did I die?
 I need to run
 But I can't get out of bed for anyone
 Not for you, hun

(A D Gbm)

My sour boy is a pain
 I wanna shoot him in the brain
 But I'd miss him in the morning
 It really hurts
 When I need to so bad but I can't see her
 My Juliet, my special girl

But I need to understand
 When I can power through
 And when I need some help from you
 When I should stand my ground
 And when I need to just sit down
 Sometimes I act like I know
 But I'm really just a kid
 With two corks in his eyes
 And a bully in his head

(A D Gbm)

I wanna make
 A colour that no one else has seen before
 I wanna be so much more
 I hope that she
 Looks at me and thinks: Shit, he's so pretty
 Something I can't believe

But I need to understand
 When I can power through
 And when I need some help from you
 When I should stand my ground
 And when I need to just sit down
 Sometimes I act like I know
 But I'm really just a kid
 With two corks in his eyes
 And a bully in his head

Sometimes I act like I know
 But I'm really just a kid
 With two corks in his eyes
 And a bully in his head
 Sometimes I act like I know
 But I'm really just a kid
 With two corks in his eyes
 And a bully in his head
