

# Cavetown - Poison

tom:

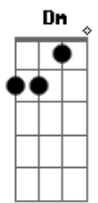

**Dm**

Ease your breath, untie my hands  
**Bb** **F** **A** **Dm**  
 Release my neck, if you can  
**Bb** **F** **A** **Dm**  
 You don't have to be like that  
**Bb** **Bbm**  
 Don't be afraid, there's nothing strange  
**F** **A** **Dm**  
 It's not a trap  
**Bb** **F**  
 But there's cars coming closer  
**A** **Dm**

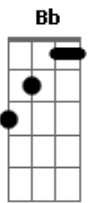

And I think they're trying to run me over  
**Bb** **F**  
 Poisoning my food  
**A** **Dm**  
 And putting drugs inside my water  
**Bb** **F**  
 There's ghosts in my house  
**A** **Dm**  
 And I can taste blood in my mouth  
**Bb** **Bbm**  
 Don't be afraid, I'm not insane  
**F** **A** **Bb** **Bbm**  
 Just irrational, but isn't that the same?

[Final] **F** **A** **Bb** **Bbm**  
**F** **G** **A** **Bb**
