

Cazuza - Baby Suporte

Tom: G

Suporte baby, baby suporte, Suporte baby, baby suporte

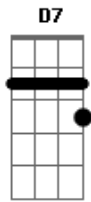

Amor escravo de nenhuma palavra,
 Não era isso que você procurava,
 Não viu no fundo da retina a mágoa
 A luz confusa onde tudo é o nada
 A esperança está grudada na carne

Que diferença há entre o amor e o escárnio ?
 Cada carinho é o fio de uma navalha
 Oh! Baby não chore
 Foi apenas um corte
 A vida é bem mais perigosa que a morte
 Suporte oh, baby suporte
 Suporte baby, baby suporte, Suporte baby, baby suporte
