

CCB - Paz Seja Em Voz

Tom: A

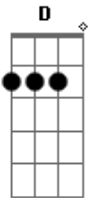

Foi grande a tempestade que no mar se levantou,
 Ondas cobriam o barco e a todos terror causou,
 O mestre estava dormindo , foi despertado então,
 Pelos que a ele pediam socorro e salvação.

Ao seu mandar santo e divinal, paz seja em voz;
 Ventos e mares se aquetarão , paz seja em voz;
 Convosco esta o senhor do mar, portanto deveis
 Sem temor remar; pois ele esta pronto a te salvar, tende paz
 Tende paz; as ondas cesam de encapelar, paz seja em voz.
