F  
Dizem que nossa arte é barroca

Ela é mais do que isso

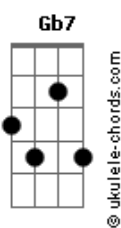

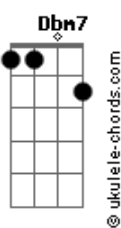

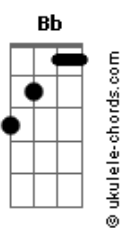

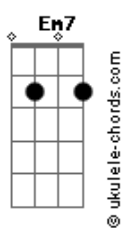

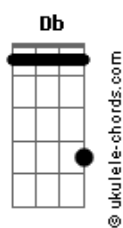

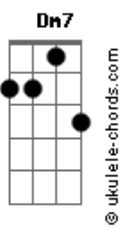

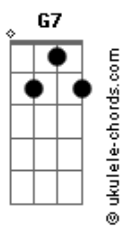

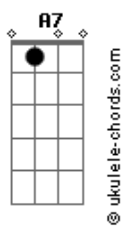

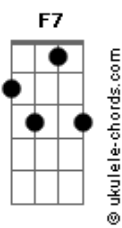

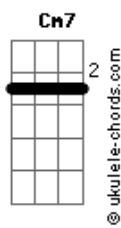

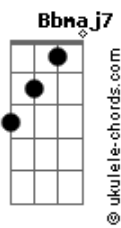

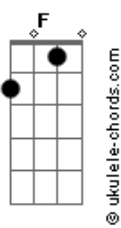

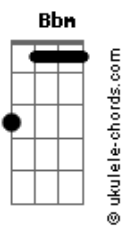

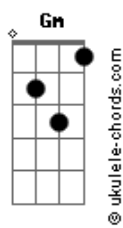

É maneirista e o maneirismo

Já é quântico

Dm7 Db  
Da maravilhosa loucura

Da materia porosa e escura

## Acordes

Do buraco negro vem e nasce a negra energia  
Tudo isso é compreendido pela nova astronomia

( G7 Dm7 G7 )

Dm7 G7  
Essa energia que é fundamental  
Para a harmonia do espaço sideral

Mas tudo isso a gente já sabia  
Por causa da força divina que o samba irradia  
Batucardo por nós essa negra melodia

[Final] F G7 G7
