Dizem que nossa arte é barroca

Ela é mais do que isso

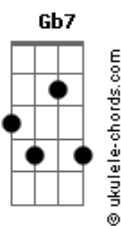

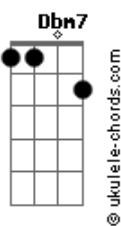

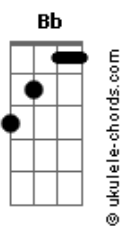

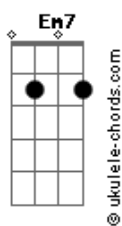

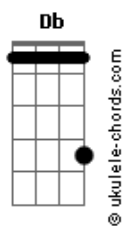

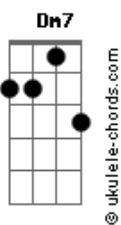

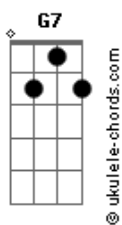

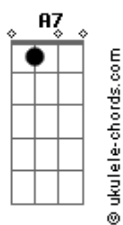

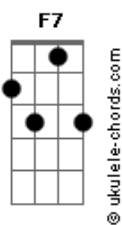

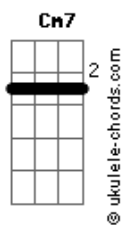

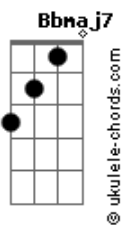

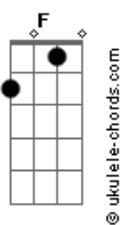

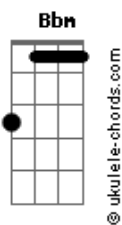

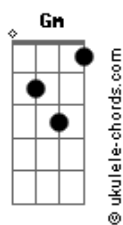

É maneirista e o maneirismo

Já é quântico

Dm7 Db
Da maravilhosa loucura

Da materia porosa e escura

Acordes

Do buraco negro vem e nasce a negra energia
Tudo isso é compreendido pela nova astronomia

(G7 Dm7 G7)

Dm7 G7
Essa energia que é fundamental
Para a harmonia do espaço sideral

Mas tudo isso a gente já sabia
Por causa da força divina que o samba irradia
Batucardo por nós essa negra melodia

[Final] F G7 G7
