

# Cecília Beraba - Teresa e a Tristeza

tom:

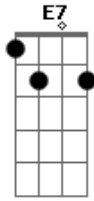

Teresa Teresa  
 Tristeza pousou na árvore e perguntou por você  
 Eu disse que não sabia onde é que você estava  
 Pois eu não queria que você triste ficasse

E não vendo ninguém por perto  
 A tristeza entrou no meu peito  
 E eu sorri de contentamento  
 Pois ela entrara em mim, e não em você  
 Teresa, Teresa a tristeza era pra você
