

# Celestine - O Maior Amor

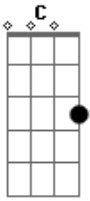

Tom: C

Para engrandecer o meu Senhor  
 Eu me fiz tão pequeno  
 Folha ao vento, uma gota d'água  
 De encontro ao chão

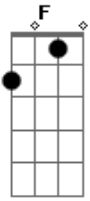

Para engrandecer o meu Senhor  
 Eu me fiz uma água  
 Larguei os meus passos

E me deixei voar, voar  
 Nos braços do amor  
 No colo do Senhor  
 Deixei a sensação tomar meu coração  
 Não dá mais pra voltar  
 Eu já não me conheço  
 Eu só sei que vou  
 Nas ondas do maior amor
