

Céline Dion - Another year has gone by

Tom: G

So many ^G 25th's of December
^{Em} Just as many 4th of July's
^{Bm} And we're still holding it together
^C It only comes down to you and I
^G I know you can still remember
^{Em} Things we said right from the start
^{Bm} When we said that this could be special
^C I'm keeping those words deep down in my heart

REFRÃO

Another year has gone by ^G ^{Em}
^{Am} And I'm still the one by your side
^C After everything that's gone by ^G ^{Em}
^{Am}

There's still no one saying goodbye
^C ^G ^{Em} ^D
 Though another year has gone by

^G
 I've never been much for occasions
^{Em}
 You never let a birthday go by
^{Bm}
 Without announcing how much you love me
^C
 But the truth was always there -
 right there in your eyes
^G
 And we're still holding hands when we're walking
^{Em}
 Acting like we've only just met
^{Bm}
 But how could that be - when there's so much
 history
^C
 Guess that's how true lovers can get
