

# Céline Dion - Another year has gone by

Tom: G

So many <sup>G</sup> 25th's of December  
<sup>Em</sup> Just as many 4th of July's  
<sup>Bm</sup> And we're still holding it together  
<sup>C</sup> It only comes down to you and I  
<sup>G</sup> I know you can still remember  
<sup>Em</sup> Things we said right from the start  
<sup>Bm</sup> When we said that this could be special  
<sup>C</sup> I'm keeping those words deep down in my heart

REFRÃO

Another year has gone by <sup>G</sup> <sup>Em</sup>  
<sup>Am</sup> And I'm still the one by your side  
<sup>C</sup> After everything that's gone by <sup>G</sup> <sup>Em</sup>  
<sup>Am</sup>

There's still no one saying goodbye  
<sup>C</sup> <sup>G</sup> <sup>Em</sup> <sup>D</sup>  
 Though another year has gone by

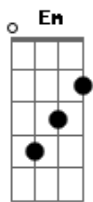

<sup>G</sup>  
 I've never been much for occasions  
<sup>Em</sup>  
 You never let a birthday go by  
<sup>Bm</sup>  
 Without announcing how much you love me  
<sup>C</sup>  
 But the truth was always there -  
 right there in your eyes  
<sup>G</sup>  
 And we're still holding hands when we're walking  
<sup>Em</sup>  
 Acting like we've only just met  
<sup>Bm</sup>  
 But how could that be - when there's so much  
 history  
<sup>C</sup>  
 Guess that's how true lovers can get
