

Céline Dion - Eyes On Me

tom:
 [Primeira Parte]

Em
 I know that once in love
 You don't think of the devil who's inside
 And maybe there'll come one day
 When you'll feel safe and I won't have the time

[Refrão]

Em
 You'll hear what you wanna hear
 Blink once, I could disappear

Some rules to the game will make it
 Right for both of us
 Just say what you wanna say
 I've got it to give away
 We both wanna make it last
 So keep your eyes on me
 Your eyes on me

[Segunda Parte]

Em
 It's not an illusion that you're the one
 And I have fallen deep
 I said right from the start
 When we're apart, you must only think of me

[Refrão]

Em
 Temptation is all around
 Take good care of what you've found
 That's why when I turn around
 You better keep
 You better keep your eyes on me
 No matter what you think I need
 No matter what you once believed
 If you're mine
 So you better say yeah

[Ponte]

Em
 No matter what you think of me
 No, it doesn't really matter what you once believed

(Say yeah)
 I wanna be the air you breathe
 Yeah, you better be everything you said you'd be

(So you better say yeah)
 I wanna be the only one or
 We can't go on
 No matter what you think I need
 You better keep your eyes on me

[Pré-Refrão]

Em
 Say that you want me
 Open up your heart
 Even if it's hard
 Say that you need me
 Then let 'em know
 Baby, don't put on a show
 Say that you need me
 Tell 'em how you feel
 Let 'em know it's real
 And if you love me
 Never turn your back
 Gonna keep my eyes on that

[Refrão]

Temptation is all around
 Take good care of what you've found
 That's why when I turn around
 You better keep
 You better keep your eyes on me
 No matter what you think I need
 No matter what you once believed
 If you're mine, so you better say yeah
 (No matter what you think I need)
 (No, it doesn't really matter what you once believed)
 (say yeah)
 I wanna be the air you breathe
 Yeah you better be everything you said

You'd be (Better keep...)
 I'm gonna be your only one or
 We can't go on
 No matter what you think I need
 You better keep your eyes on me
 Your eyes on me
 Your eyes on me
