

Céline Dion - How Does A Moment Last Forever

Tom: B

^B How does a moment last forever?
^E How can a story never die?
^E It is love we must hold onto
^{Abm} Never easy, but we try
^B Sometimes our happiness is captured
^E Somehow, our time and place stand still
^E Love lives on inside our hearts and always will

^{Abm} Minutes turn to hours, days to years then gone
^B But when all else has been forgotten
^E Still our song lives on

^D Maybe some moments weren't so perfect
^G Maybe some memories not so sweet
^G But we have to know some bad times
^{Bm} Or are lives are incomplete
^D Then when the shadows overtake us

^G Just when we feel all hope is gone
^G We'll hear our song and know once more
^D Our love lives on

^D How does a moment last forever?
^G How does our happiness endure?
^G Through the darkest of our troubles
^{Bm} Love is beauty, love is pure
^D Love pays no mind to desolation
^G It flows like a river through the soul
^G Protects, persists, and perseveres
^D And makes us whole

^{Bm} Minutes turn to hours, days to years then gone
^D But when all else has been forgotten
^G Still our song lives on
^D That's how a moment lasts forever
^G When our song lives on
