

# Céline Dion - I Love You, Goodbye

tom:

Wish I could be the one  
 The one who could give you love  
 The kind of love you really need

Wish I could say to you  
 That I'll always stay with you  
 But baby that's not me

You need someone willing to give their  
 Heart and soul to you  
 Promise you forever, baby that's something  
 I can't do

[Refrão]

Oh I could say that I'll be all you need  
 But that would be a lie  
 I know I'd only hurt you  
 I know I'd only make you cry  
 I'm not the one you're needing  
 I love you, goodbye

I hope someday you can Find some way to  
 Understand  
 I'm only doing this for you  
 I don't really wanna go  
 But deep in my heart I know this is the

Kindest thing to do  
 You'll find someone who could be that i'll  
 Never be  
 Who'll give you something better  
 Than the love you'll find with me

[Refrão]

Oh I could say that I'll be all you need  
 But that would be a lie  
 I know I'd only hurt you  
 I know I'd only make you cry  
 I'm not the one you're needing  
 I love you, goodbye

[Ponte]

Leaving someone when you love someone  
 Is the hardest thing to do  
 When you love someone as much as I love you  
 Oh I don't wanna leave you  
 Baby it tears me up inside  
 But I'll never be the one you're needing  
 I love you, goodbye  
 Baby, its not gonna work out  
 I love you, goodbye
