

Céline Dion - I Surrender

Tom: C
Intro: Am F Am E E

There's so much life
I've left to live
And this fire's burning still
When I watch you look at me
I think I could find way
To stand for every dream
And forsake this solid ground
And give up this fear within
Of what would happen if they end, you
I'm in love with you
Cause I'd surrender everything
To feel the chance, to live again
I reach to you
I know you can feel it too
We'd make it through
A thousand dreams I still believe
I'd make you give them all to me
I'd hold you in my arms and never let go
I surrender
I know
I can't survive another night away from you
You're the reason I go on
And now I need to live the truth
Right now, there's no better time
From this fear, I will break free
And I'll live again with love
And know they can't take away from me
And they will see... yeah
(I'd surrender everything)
To feel the chance, to live again
I reach to you
I know you can feel it too

We'd make it through
A thousand dreams I still believe
I'd make you give them all to me
I'd hold you in my arms and never let go
I surrender
Every night gets longer
And this fire is getting stonger baby
I'll swallow my pride
And I'll be alive
Can't you hear my call?
I surrender all
(I'd surrender everything)
To feel the chance to live again
I reach to you
I know you can feel it too
We'd make it through
A thousand dreams I still believe
I'd make you give them all to me
I'd hold you in my arms and never let go
I surrender
Right here, right now
I'd give my life to live again
I'll break free
Take me, my everything
I surrender all to you
Right now(Right now)
(I'd give my life to live again)
(I'll break free, take me)
(My everything)
I surrender all to you
Right now
(I'd my everything)
I surrender all to you
