

Céline Dion - If love is out the question

Tom: C

^B
You bought me flowers and you sold me a line
^{Gb}
You gave me compliments and too much wine
^E ^G
I've played that game... I know all the moves
^B
You show emotion but you hide what you feel
^{Gb}
You play the innocent but I've watched you steal
^E ^G
I rest my case... you stand accused
^F
But I must confess I was quite impressed
^G
You seduced me with your easy charm
^F ^G
And I must admit I could fall for it

^D
But if love is out the question
^G
There's no point to this affection
^{Em}
I gotta have more than ecstasy

Make me believe
^A
I'm all you'll ever need

^D
'Cos if love is out the question
^G
Put a little heart in your intention
^{Em}
I gotta have more than ecstasy

Make me believe
^A
I'm all you'll ever need...

^B
You talk in circles when I need a straight line
^{Gb}
You've got your principles and I've got mine
^E

We all need commitment that's all I ask
^G
(Is that a crime?)
^F
And I must confess I was quite impressed
^G
I was losing to your winning ways
^F ^G
But I must resist there's no point to this

^D
But if love is out the question
^G
There's no point to this affection
^{Em}
I gotta have more than ecstasy

Make me believe
^A
I'm all you'll ever need...

^G
'Cos if love is out the question I just gotta stop
^C
Little point to this affection I just wanna stop

^G
It makes no sense to carry on like this
^C
If there's nothing between us you don't know

what you'll miss
^G
No love

^C
There's no love
^G
Baby it's true

^C
There's no love
^G
But if love is out the question

^C
There's no point to this affection
^G
'Cos if love is out the question

^C
Put a little heart in your intention
