

# Céline Dion - I'm Your Angel

Tom: C

C G  
No mountain is too high for you to climb  
F G  
All you have to do is have some climbing faith, oh yeah  
C G  
No river is too wide for you to make it across  
F G  
All you have to do is believe it when you pray

Am Em  
And then you will see the morning will come  
Am Em  
And everyday will be bright as the sun  
F Em  
All of your fears cast them on me  
F G  
I just want you to see

C  
I'll be your cloud up in the sky  
G  
I'll be your shoulder when you cry  
F  
I'll hear your voices when you call me  
G  
I am your angel

C  
And when all hope is gone, I'm near  
G  
No matter how far you are, I'm near  
F  
It makes no difference who you are

G  
I am your angel

C  
I am your angel

C G  
I saw your teardrops, and I heard you cry  
F

All you need is time

G  
Seek me and you shall find (You)

C G  
You have everything and you're still lonely

F  
It don't have to be this way

G  
Let me show you a better day

Am  
And then you will see

Em  
The morning will come

Am Em  
And all of your days will be bright as the sun

F  
So all of your fears (all of your fears)

Em

Just cast them on me  
F G  
How can I make you see

C  
I'll be your cloud up in the sky  
G  
I'll be your shoulder when you cry  
F  
I'll hear your voices when you call me

G  
I am your angel

C  
And when all hope is gone, I'm near

G  
No matter how far you are, I'm near

F  
It makes no difference who you are

G  
I am your angel

C  
I am your angel

C Am  
And when it's time to face the storm

F G C  
I'll be right by your side

Am  
Grace will keep us safe and warm

F G C  
And I know we will survive

C  
And when it seems as if

Am  
Your end is drawing near (End is drawing near)

F  
Don't you dare give up the fight (Oh no)

Am G  
just Put your trust beyond the skys

(SOBE 1

C  
I'll be your cloud up in the sky

G  
I'll be your shoulder when you cry

F  
I'll hear your voices when you call me

G  
I am your angel

C  
And when all hope is gone, I'm near

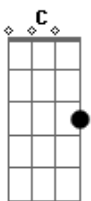

G  
No matter how far you are, I'm near

F  
It makes no difference who you are

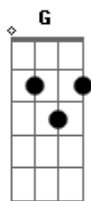

G  
I am your angel

C  
I am your angel
