

Céline Dion - Somebody Loves Somebody

Tom: F
Intro: Dm C Dm C

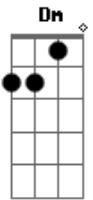

Dm C I don't want another piece of your mind
C Dm So take it somewhere else for the night
C 'Cause I can't take another goodbye
C If you wanna fight, bite your tongue
Bb Before you explode, don't let this get out of control
C You don't want me to leave you alone
C When somebody loves somebody
Bb C That's the way it's supposed to be because you know
Dm C Nobody else would put up with your games, oh, oh
C Dm I don't believe in love, if you don't wanna go
C Bb That's not the way it is when somebody loves somebody
C Bb C Dm C Eh, eh, eh, eh, eh, eh, eh, eh, eh, eh, eh, eh,
C Dm When somebody loves somebody
C Wait, I am hearing every word that you say
Bb You wonder if you made a mistake
C Dm C It's written all over your face
Dm You know it's too late
C Dm C We've already fallen in love, tell me is it asking too much
Bb C For you to sticking it out when it's tough, is it ever enough?
C When somebody loves somebody
Bb C Dm That's the way it's supposed to be because you know
C Bb C
