

Céline Dion - When I Need You

Tom: C

[Albert Hammond]

1. When I need you, I just close my eyes and I'm with you,

and all that I saw, want to give you, it's only a heartbeat away.

2. When I need love, I hold out my hands and I touch love,

I never knew there was so much love keeping me warm night and day.

Miles and miles of empty space in between us,

a telephone can't take the place of your smile.

But you know I won't be traveling forever.

It's cold out, but hold out, and do like I do.

3. When I need you, I just close my eyes and I'm with you,

and all that I saw, wanna give you babe, it's only a heartbeat away.

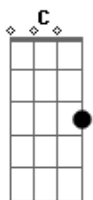

It's not easy when the road is goodbye love,

Honey, that's a heavy load that we bear.

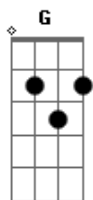

But you know I won't be traveling a lifetime.

Its cold out, but hold out and do like I do.
