

# Celso Custódio - Flor da Gabriela

Tom: G

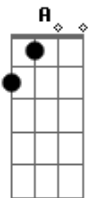

**E7M**  
 Passo pela rua  
 Vejo na janela  
**A7M** **Am**  
 O teu rosto, seu olhar  
**E7M**  
 Ela é donzela  
 Flor da Gabriela  
**A7M** **Am**  
 O teu jeito de bailar  
**C7M**  
 Ela me apavora  
 Nos meus pensamentos  
**Bb7**  
 Como pássaros  
 Que esvoaçam os ventos  
**C7M**  
 Ela me escuta  
 No silêncio fica muda  
**Bb7**  
 Parece no tempo  
**G7M**

Uma rosa murcha  
 Se a paixão aparecer  
**Gbm7**  
 Pra nós dois  
**G7M**  
 Quem irá sorrir ou chorar  
**Gbm7**  
 Depois  
**Bb7**  
 Se teu coração já brotou  
**F7** **Bb7**  
 Raiz de amargura  
**A** **Ab7(#11)**  
 Meus beijos não quis  
**D7M**  
 Meu amor te darei  
**G7M** **Gm**  
 O meu céu, meu calor  
**Gbm7** **B7** **B7(#9)**  
 O meu corpo te cobrir  
**E7**  
 Nas noites em que não tiver  
**A** **Ab7(#11)** **E7**  
 A fim de dormir
