

CELSO LIRA OFICIAL - A Porta do Sol

Tom: G
Intro: G D C

Amores que brotam na vida
Vindos do leste e do sul
Ao som da harpa divina
Louvamos um canto maior

A Porta do Sol está aqui

O povo que andou neste chão
É a força e o segredo da paz

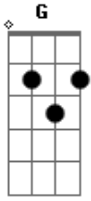

No entardecer do oeste
Guardam saberes do céu

A Porta do Sol está aqui

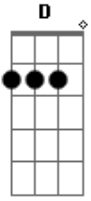

Os olhos centelham trovão
Refletem o seu esplendor
Acendem o fogo na terra
É a dança dos ancestrais

A Porta do Sol está aqui
