Gira gira gira gira gira sol Gira gira gira gira gira sol

Na clara madrugada, a chuva recriava tudo

A água despertava, sementes num lugar seguro

Na terra molhada as folhas saem do escuro

As flores sagradas um novo tempo no futuro

Perfumar

Inspirar na dança da vida, gira girassol

Semear cultivar alegrias, alegria e sol

Se eu colher amor trago as cores, a força

A magia pra dentro de mim giragira giragira, pra dentro do

Gira gira gira gira gira sol Gira gira gira gira gira sol

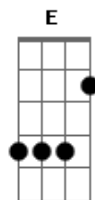

Renasci ao vento vou sentir

Inspirei olhando para um céu sem fim

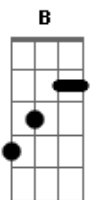

Expandi raízes nesse chão

Se cresci agora vou colher, colher o amor
