

Cenair Maicá - Da Terra Nasceram Gritos

Tom: A

m

Mataram meus infinitos
 E me expulsaram dos campos
 Da terra nasceram gritos
 Dos gritos brotaram cantos!

E me fiz canto
 De tropeiros e ervateiros
 Rasgando sulcos

Com arado e saraquá
 Nas alpargatas dos "quileiros"

e "chibeiros"
 Andei as léguas

De Corrientes e Aceguá!

Nas alpargatas dos "quileiros"

"chibeiros"
 Andei as léguas
 De Corrientes e Aceguá!

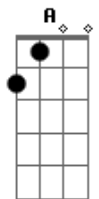

Meu canto é rio
 Meu canto é sol
 Meu canto é vento
 Eu tenho berço, Eu tenho pátria

Eu tenho glória
 Eu só não tenho terra própria

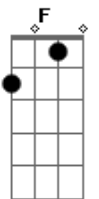

Porque a história
 Que eu escrevi

Me deserdou no testamento!
