

Cesar Costa Filho - Samba do Estácio

tom:

C

Sou carioca do Estácio

Do Estácio de Sá

Tenho meu nome gravado na escola de lá

Eu já fui porta bandeira

Eu sou Flamengo e Mangueira

Desnecessário dizer

Que eu sou do samba

Modéstia à parte senhores

Sambista quem é

Danço e balanço e não canso

Se o samba é de fé

Mas convenhamos também

Eu não quero ferir ninguém

Quem não tem samba na alma

Não samba no pé

Ouçó Noel e me sinto

Palmeira do mangue

Lembro Ataulfo e a cadência me ferve o sangue

Mestres do samba maior

Dos poemas que eu sei de cor

Samba que é sempre mais novo

Na alma do povo

Peço perdão pelo exemplo

Mas o Estácio é uma espécie de templo

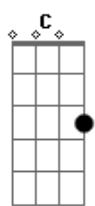

Onde se aprende a sambar parecendo rezar

Peço perdão pelo exemplo

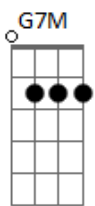

Mas o estácio é uma espécie de templo

Onde se aprende a sambar parecendo rezar
