

Cesar Espada - Niña Camba

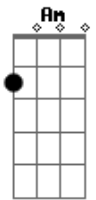

tom:

Niña recordar hoy tus ojos tan fijos en mi
 Veo el sol, la playa y el mar
 Horizontes que no conocí
 Mi canto reclama tu voz
 Y yo la flor de tu piel
 Esta noche negra de
 Lejos te siento venir
 Palabras de amor
 Que hoy se alejan de mi corazón
 Cual gaviotas que no volverán

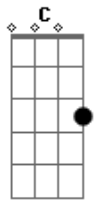

A posarse en mi arena sin sal

Serenata frente a tu balcón
 Soy bohemio que dice su adiós
 Soy una ave triste
 Que busca la felicidad
 Camba yo se que te llevo dentro
 Porque mi canto y mis versos
 Siempre te quieren nombrar
 Niña te dejo todos mis sueños
 Me voy esta noche
 Lejos donde te pueda olvidar
