

César Menotti e Fabiano - No Rancho Fundo

tom:

G (forma dos acordes no tom de E)

Capostrate na 3ª casa

Intro: A B7 E E E

[Refrão]

No rancho fundo
 Bem pra lá do fim do mundo
 Onde a dor e a saudade
 Contam coisas da cidade

No rancho fundo
 De olhar triste e profundo
 Um moreno canta as mágoas
 Tendo os olhos rasos d'água

[Primeira Parte]

Pobre moreno
 Que de noi_te no sereno
 Espera a lua no terreiro
 Tendo o cigarro
 Por companheiro

Sem um aceno
 Ele pega na viola
 E a lua por esmola
 Vem pro quintal desse moreno

[Refrão]

No rancho fundo
 Bem pra lá do fim do mundo
 Nunca mais houve alegria
 Nem de noite, nem de dia

Os arvoredos
 Já não contam mais segredos
 E a última palmeira

Ja morreu na cordilheira

[Segunda Parte]

Os passarinhos
 Hiberna__ram-se nos ninhos
 De tão triste esta tristeza
 Enche de trevas
 A natureza
 Tudo por quê?
 Só por cau_sa do moreno
 Que era grande, hoje é pequeno
 Pra uma ca__sa de sapê

[Terceira Parte]

Se Deus soubesse
 Da tristeza lá da serra
 Mandaria lá pra cima
 Todo o amor que há na terra
 Porque o moreno
 Vive louco de saudade
 Só por causa do veneno
 Das mulheres da cidade

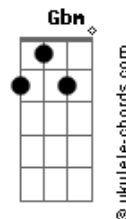

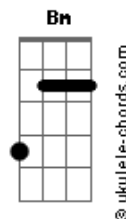

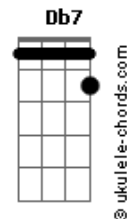

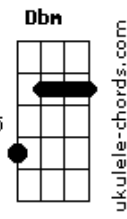

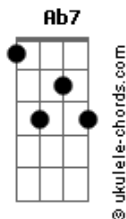

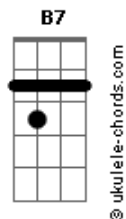

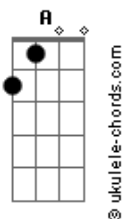

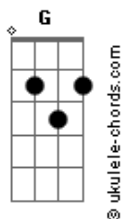

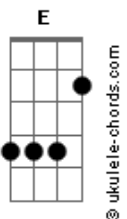

[Quarta Parte]

Ele que era
 O cantor da primavera
 E que fez do rancho fundo
 O céu melhor
 Que tem no mundo

Se uma flor
 Desabro_cha e o sol queima
 A montanha vai gelando
 Lembra o chei_ro da morena

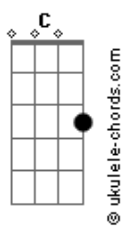

[Final] F Bb F
