

César Menotti e Fabiano - Tô Morrendo de Saudade

Tom: G

(intro) G D A7 Bm Em G A7 G D Gb A7 D

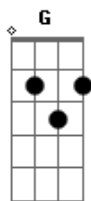

D
 Quando a gente terminou
 Nosso caso de amor
 Eu pensei que estava livre
 Que eu iria me dar bem
 Encontrando outro alguém
 Que me desse o que eu não tive
 Eu saí pelo escuro
 Dando a cara contra o muro
 Inventando mil paixões
 Eu brinquei de ser feliz
 Na verdade o que eu fiz
 Foi viver desilusões

(refrão 2x)
 Eu tô morrendo de saudade
 Eu tô pedindo pra voltar
 Preciso tanto lhe dizer
 Que longe de voce
 Não dei conta de aguentar
 (intro)
 Muitas bocas eu beijei
 Te confesso não gostei
 Pois não tinha o mesmo gosto
 Eu tentei mil aventuras
 Mas por dentro da moldura
 Eu só via o seu rosto
 (refrão 2x)
 (final) G Bb C D
