

César Tucci - Do Brasil Pro Mundo Inteiro

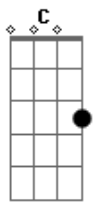

tom:

C

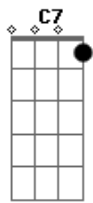

Senhor Jesus, amigo verdadeiro
 Hoje sabemos porque estamos no Brasil
 Tu nos trouxeste para a terra do Cruzeiro
 E por amor no Teu Amor nos reuniu
 Por tantas vezes renasci no velho mundo
 Em muitas delas por orgulho me perdi
 Criei sistemas, guerras, lemas de egoísmo
 E deste jeito me afastei tanto de Ti
 Agora estou criança em solo brasileiro
 No Evangelho eu encontro a direção

Quero vibrar amor e paz pro mundo inteiro
 A começar pelo meu próprio coração
 Reconstruir meus sentimentos
 Lutar por dentro pra que eu possa melhorar
 Iluminar meus pensamentos
 Pelo trabalho, pra que eu possa despertar
 Reconstruir meus sentimentos
 Lutar por dentro pra que eu possa melhorar
 Iluminar meus pensamentos
 Pelo trabalho, pra que eu possa despertar
 Nas terras do Brasil, com as cores do Brasil
 Todas as cores cabem no nosso Brasil
