There?s no time, there?s no time
You wasted your life
Lost your love
And can?t stop crying
There?s no time, there?s no time
No more time to fix the bad things
And ask forgiveness to all who you hurt
My heart is fill with songs when you are near
Now I know our turn is coming soon

E A E A Gb B
We have no more time to spend in the life, this time is over
