

Cesáreo Gabarain - Rosas de Sangue

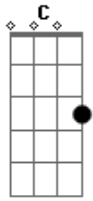

Tom: C

m

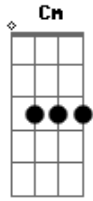

Rosas de sangue floresceram
 Revivem em teu corpo a Paixão
 Francisco de amor está ferido, nas mãos, nos pés, no coração

Acolhes aos pobres com carinho, repartes o pão com o mendigo
 Eu quero também amar a todos, já podes, Senhor, contar comigo
 Plantando a paz e o bem, caminhas; semeando também vou a teu lado
 Em ti o Evangelho é carne viva, e Cristo outra vez crucificado
