

# Céu - Amore

Tom: A

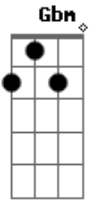

Nobody knows How much i love you  
 I got this felling burning inside of me  
 And i'm just tired to be quiet too, So  
 all i want is to feel free  
  
 I've been tryng to say all this time  
 It's just there by you and me

Stop the game let's burn in our flame  
 Oh baby  
 Oh baby  
  
 Every time i see you me amore  
 My heart beat so strong i dont feel lonely  
 Dance for me all alone amore  
 Oh baby  
 Oh baby
