

# Céu - Arrastar-te-ei

Tom: A

m  
Intro: Am B B E

Quando ele vem (meu bem)

Eu viro o mar (o mar)

Eu viro o mar

Para lhe curar!

Rede no mar (no mar)

Meia arrastão (arrastão)

Para o meu mundo

Arrastar-te-ei!

Estendo o lençol

Leito oceânico

Um amor abissal

Em banho brando

Banho no seu amor

Espelho do azul

Escalda os pés em mim

Longe do vento sul

( Dm Am E Am )
