

# Céu - Ocitocina (Charged)

tom:

Am

Am7 Dm7

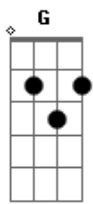

Um passeio na livre dimensão  
 Desgeografada de demarcação  
 Continentada em minhas regras  
 Meu corpo meu rolê  
 Fui numa andada a procura de ti  
 Rio de dentro

Mar de fora  
 Pisando em mata alta, pororoca  
 Minha tela não se desfaleceria  
 Sem chance alguma de morrer a bateria  
 Porque eu estava charged

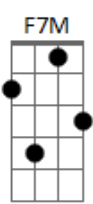

Carregada

Totalmente carregada  
 Eu tava charged  
 Atravessei a clareira  
 Dormi com a serpente  
 O sono das corujas  
 Bebi d'água nascente  
 Não me lembro de medo  
 Do renascer poente  
 Que tava a minha espera  
 Ao encontro do meu presente  
 Você, oh oh você  
 Você, oh oh você
