

Chamego do Frevo - Diabo Loiro

tom:

[Intro 2x] ^G Em D G D C G

Um diabo louro fisco na minha frente
 Com cara de gente, bonita demais
 Chegou de bobeira marcando zoeira no
 Meio da praça Quebrando vidraças isso não

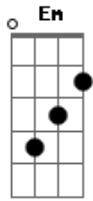

Se faz (2x)

Foi paranóico, fantástico, mágico
 Me fez sedento, atento, elástico
 Chegou rasgando pisando, chicletizando
 Total Que loura bonita fazendo o diabo no
 Meu carnaval
 (Em D G D C G) (2x)
