

Chandler Moore - Back to you

tom:

D
[Primeira Parte]

Beneath the surface
And what my eyes have seen
Past temporary
I hear You beckon me
To fall a little deeper
Further than I've ever known
Breaking through the boxes
I'm running to Your throne

[Refrão]

I'm coming back to You
I'm coming back to You
I'm coming back to You
I'm coming back to You

[Segunda Parte]

What's every other option
When I've known the sweeter choice
My flesh may be a beggar
But my spirit knows your voice
I won't be satisfied
With temporary pleasures
I wanna taste and seen in full
What I've only known in measures
[Refrão]

I'm coming back to You

I'm coming back to You
I'm coming back to You
I'm coming back to You

[Ponte]

I hear the song you're singing
Crying out ?run child run?
Father I am returning
I'll stay where I belong
I hear the song you're singing
Crying out ?run child run?
Father I am returning
I'll stay where I belong

(Em D G)

[Refrão]

I'm coming back to You
I'm coming back to You
I'm coming back to You
I'm coming back to You

[Ponte]

Here I come running, running
Here I come running, running
Here I come running, running
And I won't look back, no I won't look back
Here He comes running, running
Here He comes running, running
Here He comes running, running
And He won't look back, no He won't look back
