

Chapel Hart - You Can Have Him Jolene

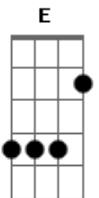

tom: [Intro] A

A
Well since the last song
I've had time to think it over
A lot of tears, a lot a beer
A lot of wine
I spent so much time believing
That that midnight stopped ringing
But he'd leave the room and
Answer every time
A
Well it didn't seem so easy
With that broken glass in pieces
And you holding me and
Saying you were wrong
Well I'm tired of second chances
And these sad ass circumstances
He's your problem
Good luck keeping him home
[Refrão]
A7 D
Oh Jolene, you can have him cause
He don't mean much to me
Well I cried so much
Two rivers turned to seas
A7 D
Oh Jolene, when you think that
He's in love he'll surely leave
Like he did me
You can have him Jolene
(A A7)
A7 D
Oh Jolene, you can have him cause
He don't mean much to me
Well I cried so much
Two rivers turned to seas
A7 D
Oh Jolene, when you think that
He's in love he'll surely leave
Like he did me
You can have him Jolene
