

Chapel Hart - You Can Have Him Jolene

tom: [Intro] A

A
Well since the last song
I've had time to think it over
A lot of tears, a lot a beer
E
A lot of wine
I spent so much time believing
That that midnight stopped ringing
But he'd leave the room and
A
Answer every time

A
Well it didn't seem so easy
With that broken glass in pieces
And you holding me and
D
Saying you were wrong
Well I'm tired of second chances
And these sad ass circumstances
E
He's your problem
E7 A
Good luck keeping him home

[Refrão]

A7 D
Oh Jolene, you can have him cause
A
He don't mean much to me
E
Well I cried so much
A
Two rivers turned to seas
A7 D
Oh Jolene, when you think that
A
He's in love he'll surely leave
E
Like he did me
D E A

You can have him Jolene

A
Well I fixed my crown from leaning
And those wedding bells stopped ringing
I took my keys and
D
Threw him out his door
Well I found a man who loves me
A
And he'll give me all I need
E A
What a woman could ask for anymore

[Refrão]

A7 D
Oh Jolene, you can have him cause
A
He don't mean much to me
E
Well I cried so much
A
Two rivers turned to seas
A7 D
Oh Jolene, when you think that
A
He's in love he'll surely leave
E
Like he did me
D E A
You can have him Jolene

(A A7)

A7 D
Oh Jolene, you can have him cause
A
He don't mean much to me
