

Chappell Roan - Casual

```
tom:
        C
My friends call me a loser
'Cause I'm still hanging Around
I've heard so many rumors
That I'm just a girl that you bang on your couch
I thought you thought of me better
Someone you couldn't lose
You said, "We're not together"
So now when we kiss, I have anger issues
                   F7M
You said, "Baby, no attachment"
But we're
Knee deep in the passenger seat, and you're eating me out
Is it casual now?
Two weeks, and your mom invites me to her house on Long Beach
Is it casual now?
I know what you tell your friends
It's casual, if it's casual now
               Α7
Then, baby, get me off again
If it's casual, it's casual now
             Α7
Dumb love, I love being stupid
             Α7
Dream of us in a year
Maybe we'd have an apartment
                    F7M
And you'd show me off to your friends at the pier
                 F7M
I know, "Baby, no attachment"
But we're
Knee deep in the passenger seat, and you're eating me out
