

# Chappell Roan - Hot To Go!

tom:

A

Five, six

Five, six, seven, eight

**Gb**  
I could be the one, or your new addiction

It's all in my head but I want non-fiction

**B**  
I don't want the world, but I'll take this city

Who can blame a girl? Call me hot, not pretty

**Gb**  
Baby, do you like this beat?

I made it so you'd dance with me

**B**  
It's like a hundred ninety-nine degrees

When you're doing it with me, doing it with me

**Gb**  
H-o-t-t-o-g-o

Snap and clap and touch your toes

Raise your hands, now body roll

Dance it out, you're hot to go

**B**  
H-o-t-t-o-g-o

Snap and clap and touch your toes

Raise your hands, now body roll

H-o-t-t-o-g-o

**Gb**  
H-o-t-t-o-g-o

You can take me hot to go

**B**  
H-o-t-t-o-g-o

You can take me hot to go

**Gb**  
Well, I woke up alone staring at my ceiling

I try not to care but it hurts my feelings

**B**  
You don't have to stare, com? here, get with it

No one's touched me there in a damn hot minute

**Gb**  
And baby, don't you like this beat?

I made it so you'd sleep with me

**B**  
It's like a hundred ninety-nine degrees

When you're doing it with me, doing it with me

**Gb**  
H-o-t-t-o-g-o

Snap and clap and touch your toes

Raise your hands, now body roll

Dance it out, you're hot to go

**B**  
H-o-t-t-o-g-o  
Snap and clap and touch your toes

Raise your hands, now body roll

H-o-t-t-o-g-o

**Gb**  
H-o-t-t-o-g-o

You can take me hot to go

**B**  
H-o-t-t-o-g-o

You can take me hot to go

**Gb**  
What's it take to get your number?

What's it take to bring you home?

Hurry up, it's time for supper

Order up, I'm hot to go

**B**  
What's it take to get your number?

Hurry up, it's getting cold

Hurry up, it's time for supper

Order up, I'm hot to go

**Gb**  
H-o-t-t-o-g-o

You can take me hot to go (oh, yeah)

**B**  
H-o-t-t-o-g-o

You can take me hot to go (hot to go)

**Gb**  
H-o-t-t-o-g-o

You can take me hot to go (oh, yeah)

**B**  
H-o-t-t-o-g-o

You can take me hot to go

**Gb**  
Whew, it's hot in here

Is anyone else hot?

Woo, you coming home with me?

Okay, it's hot

I'll call the cab
