

Chappell Roan - Picture You

tom:

E

Draw the blinds
 Light every candle
 Slip off my pretty dress down my chest

When I think of you

Every night

Both lips on the mirror

It's ritualistic

Counting lipstick stains where you should be

Oh, I need you around

I'm getting close now

Do you picture me like I picture you?

Am I in the frame from your point of view?

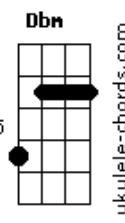

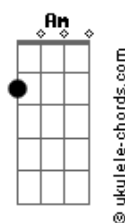

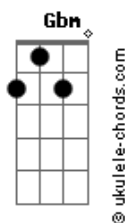

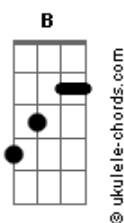

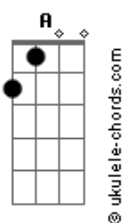

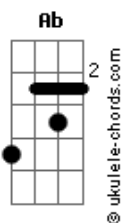

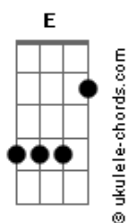

Do you feel the same? I'm too scared to say

Half of the things I do when I picture you

So, tell me now (tell me now)

All your perversions (oh, oh)

Acordes

Am I doing research in a mini skirt (am I?)
 At the library in your hometown?

Oh, I need you around
 I'm getting close now

Do you picture me like I picture you?

Am I in the frame from your point of view?

Do you feel the same? I'm too scared to say

Half of the things I do when I picture you

When I picture you

Aah, aah-aah-aah

Aah

Aah, aah-aah-aah

Aah

Do you picture me like I picture you?

Am I in the frame from your point of view?

Do you feel the same? I'm too scared to say

Half of the things I do when I picture you
