

## Charlene - I've Never Been To Me

```
Tom: Bb
                                                                I've been to paradise but I've never been to me
 (com acordes na forma de G )
Capostraste na 3ª casa
                                                                Please lady, please lady, don't just walk away
Hey lady, you lady, cursing at your life
                                                                'Cause I have this need to tell you why I'm all alone today
You're a discontented mother and a regimented wife C $\sf D$ {\sf G}
                                                                I can see so much of me still living in your eyes
I've no doubt you dream about the things you'll never do
                                                               Won't you share a part of a weary heart that has lived million
But, I wish someone had talked to me
Like I wanna talk to you.
                                                                Oh, I've been to Georgia and California and anywhere I could
Oh, I've been to Georgia and California and anywhere I could
                                                                I took the hand of a preacher man and we made love in the sun
I took the hand of a preacher man and we made love in the sun
                                                                But I ran out of places and friendly faces because I had to be
