

Charles Weems - Slow Me Down

tom:
 (This is our prayer tonight, Jesus)

We don't wanna miss Your presence
 Oh-oh

I wanna be present
 I wanna be focused
 I wanna give You all of my attention
 All of my affection

I wanna be hungry
 I wanna be desperate
 And may my heart be set on fire
 Yahweh, my desire

I don't wanna move so fast
 May You be my first priority
 And I don't wanna put You last
 I just wanna give You all of me

So slow me down

That's our prayer tonight
 Slow me down

We're here for the King of Glory
 (Would You) Slow me down?

We don't wanna miss Your presence
 Slow me down (oh-oh-oooh)

I wanna be reckless
 Old things abandoned
 I'll be chasing down Your presence
 Sending praises up to Heaven

I don't wanna move so fast
 May You be my first priority
 And I don't wanna put You last
 I just wanna give You all of me (come on, sing it)

Slow me down

We sing to the King tonight, slow
 Slow me down

We're here for You and we don't wanna miss Your presence
 Slow me down

Slow, won't You fill us up tonight?
 Slow me down

(This is our prayer tonight)

So slow me down, slow me down
 Take my eyes off what's around
 Your Spirit's moving here and now
 And I don't wanna miss Your presence
 Not in a rush, I'd rather wait
 Unite my heart to bring You praise
 Tomorrow's calling, but today
 I don't wanna miss Your presence (come on)

So slow me down, slow me down
 (Take my eyes off what's around) Take my eyes off what's around
 (Your Spirit's moving) Your Spirit's moving here and now
 (So I don't) I don't wanna miss Your presence
 (Not in a rush) Not in a rush, I'd rather wait (oh-oh-oooh)
 Unite my heart to bring You praise
 (Tomorrow's calling) Tomorrow's calling, but today
 (Say: I don't) I don't wanna miss Your presence

Oh, I don't wanna miss Your presence
 I don't wanna miss Your presence

(So) Slow me down

Jesus, oh Jesus, would You?
 Slow me down

We sing to the King tonight, we sing to the Father
 Slow me down

Show us Your glory tonight, we wanna go deeper
 Slow me down

So slow me down, slow me down
 Take my eyes off what's around
 Your Spirit's moving here and now
 And I don't wanna (one more, sing it)
 (Not in a rush) Not in a rush, I'd rather wait
 (Unite my heart) Unite my heart to bring You praise
 (Tomorrow's calling) Tomorrow's calling, but today
 (You know we don't) I don't wanna miss Your presence (slow)

Slow me down, slow me down (yeah)

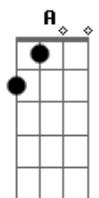

(Take my eyes) Take my eyes off what's around
 (Your Spirit's moving) Your Spirit's moving here and now
 (I don't wanna) And I don't wanna miss Your presence (yeah)
 (Not in a rush) Not in a rush, I'd rather wait
 (Unite my heart, yeah) Unite my heart to bring you praise
 (Tomorrow's calling) Tomorrow's calling, but today
 (Come on, sing it) I don't wanna miss Your presence

I don't wanna miss Your presence
 I don't wanna miss Your presence (you sing it tonight)
 I don't wanna miss Your presence
 I don't wanna miss Your presence (oh-oooh)
 I don't wanna miss Your presence
 (I don't wanna miss Your presence)

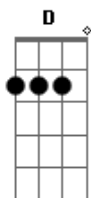

I don't wanna miss Your presence

(He's in the room right now, don't miss out on the King of kings)
