After the afterparty, we're gonna keep it goin'<sup>Em</sup>  
 We're gonna rip it up, the neighbors might complain<sup>Am G</sup>  
 I think it's almost 4am but baby<sup>Em</sup>  
 I'm still feeling just fine<sup>Am</sup>  
 Ice all up in a plastic cup and<sup>F G</sup>  
 I'ma keep on sipping all night, yeah<sup>C</sup>  
 I might a kissed a thousand lips but maybe<sup>Em</sup>  
 that's just all in my mind<sup>Am</sup>  
 Some people never understand the way<sup>F G</sup>  
 we live but we're living life

Uh huh, hey, uh huh, Monday to Sunday,<sup>C G</sup>  
 it's never too late<sup>Am</sup>  
 So everyone say, "We don't wanna stop!!!"<sup>F</sup>

 we're gonna stay 'til mornin'<sup>Am G</sup>  
 Then when the time is up, we'll do it all again<sup>C Em</sup>  
 Yeah, yeah, yeah, yeah, yeah, yeah, yeah<sup>Am</sup>  
 We're all in love...<sup>G</sup>  
 We're all in love...

Verso:

I'm hangin' on my best friend's couch<sup>C</sup>  
 and my clothes are all on the floor<sup>Em</sup>  
 I got glitter in my underwear<sup>Am</sup>  
 like it was Studio 54, yeah<sup>F G</sup>  
 I can't remember why I love it, but I need it baby,<sup>C</sup>  
 clap, bring on the encore<sup>Em</sup>  
 Let's pour another drink, the glasses go clink<sup>Am</sup>  
 Yeah, we're always up for one more<sup>F G</sup>
