

Charli XCX - Crash

tom:
G

I'm about to crash into the water

Gonna take you with me

I'm high voltage, self-destructive

End it all so legendary

I'm about to crash into the water

Gonna take you with me

I'm high voltage, self-destructive

End it all so legendary (uh)

Overloading when I'm looking

In the mirror, uh (uh)

Feel myself, I'm looking way

Better than ever, uh (uh)

Overloading when I'm looking

In the mirror

I'm about to crash, I'm about to crash

I'm about to crash, I'm about to crash

I'm about to crash, I

I'm about to crash into the water

Gonna take you with me

I'm high voltage, self-destructive

End it all so legendary

I'm about to crash into the water

Gonna take you with me

I'm high voltage, self-destructive

End it all so legendary

I don't know if I'll be coming

Back to life again (uh)

All or nothing, burn in Hell or

Go up Heaven sent, yeah (uh)

Yeah, Wheels up on the curb side

Put it in speed drive

I'm about to crash, I'm about to crash

I'm about to crash, I'm about to crash

I'm about to crash, I

I'm about to crash into the water

Gonna take you with me

I'm high voltage, self-destructive

End it all so legendary

I'm about to crash into the water
