

Charli XCX - Die Tonight

Tom: C

Oh whoa, I could die tonight.

Cause I got the magic in my veins And I'm going hard with all my friends.

I could die tonight.

Let's get it started Pool side of the party Rolling Stones on my phone

Hanging in your bedroom, feeling like we're rock 'n' roll

End of the summer Up and down with lovers Laying under stars that shine

Hold up our palms now, don't you know that it's our time?

Oh whoa, I could die tonight

Cause I got the magic in my blood And I'm staying til the sun comes up

Oh whoa, I could die tonight.

Cause I got the magic in my veins And I'm going hard with all my friends.

I could die tonight.

Back at the hotel Ringing off the doorbells Now we're feeling so alive

Come to the top floor, jumpin' like we're 'bout to fly

No one's leaving 'Bout to blow the ceiling When we turn it up to ten

Wake up in the morning, gonna do it all again

Oh whoa, I could die tonight

Cause I got the magic in my blood And I'm staying til the sun comes up

Oh whoa, I could die tonight.

Cause I got the magic in my veins And I'm going hard with all my friends.

I could die tonight.

Oh whoa, I could die tonight

Cause I got the magic in my blood And I'm staying til the sun comes up

Oh whoa, I could die tonight.

Cause I got the magic in my veins And I'm going hard with all my friends.

I could die tonight.
